

FULL MOON FARM SUMMER HORSEMANSHIP PROGRAM!

Introducing... the Full Moon Farm Horsemanship Program (FMF HP)! *You asked for it, so here it is!* We've created this new opportunity for our riders to learn more about horses, our farm, and hard work!

Each day, riders will get the opportunity to ride on their own, helping them to become more independent riders.

Riders will also have the chance to learn about various aspects of horse care, farm maintenance, and much more. From resetting feed, to determining turnout schedules, to wrapping a hoof, there's endless things to learn!

Riders will get valuable hands-on experience and discover the ins & outs of how the barn functions, to help them gain an understanding of the "bigger picture."
