FULL MOON FARM

EVENT

PROGRAM

# WELCOME!

As we approach the 30-year anniversary of Full Moon Farm, we are more grateful than ever to our community. Over the last three years alone, we've probably had more major changes than in the decade prior! While some changes have been met with confusion (and perhaps a bit of resistance!), we feel confident that all of these changes are paving the way for a bright future.

With the addition of new barns and new horses, we're teaching more riders and have more boarders than ever. We brought in the new year with a new online scheduling platform, Hopoti. We're running fabulous new programs- from Plus-One clinics to Parent and Me sessions- and we're excited to have our local library visits back on the summer calendar. Even with all of these changes, one thing remains the same... the dedication of our Fullmoonians not only to FMF, but to the equine community at large!

As always, we are ecstatic to welcome riders from all over to our home Horse Trials. We aim to provide a safe and positive experience for horses and riders of all levels. Whether you're new to eventing or you've been competing internationally for decades, we are glad to have you and we hope you have an amazing time!

Last, but certainly not least, we thank our volunteers and sponsors. The endless generosity of our team is beyond what we ever could have imagined. We remain eternally grateful to each and every individual, business, and family that supports us.

Stay safe, have fun, and have a great ride!
